

## **Open Class**

Helmets no more than three years old, spine protectors and leather or minimoto racing suits. Please make sure the kids are safe. Chest protectors are mandatory for kids under 12.

Also, they must wear proper racing shoes. No tennis shoes.

Please invest in a pair of proper racing boots for your child. Dirt bike equipment is okay as long as the full body is covered.

Also please make sure that the gloves are newer with no holes or severe wear.

Suits must be new or in near new condition.

Any suit showing significant damage will not be allowed to be used.

If your suit does not pass tech inspection you will be required to find one to be able to race.

This is not being left to question. Safety comes first!

Also, you can email me if you need something but please help keep the purveyors in our sport busy to help keep them able to support the riders, teams and events.

They go out of their way to make our sport fun and do their best to keep affordable for all of us. It is all very important and we will be watching this closely.

## **Unlimited Featherweight**

Helmet, eye protection, spine protector, and/ or jacket with elbow, spine protector and shoulder padding protection built in. Chest protectors are mandatory for kids under 12.

Heavy duty cotton jeans acceptable only without holes, and knee and shin protection mandatory.

Leather gloves, newer with no holes, preferably with knuckle and wrist protection.

Boots required, with over the ankle protection. No tennis shoes.

Dirt bike equipment is okay as long as the full body is covered.

Gear must be new or in near new condition.

Safety comes first!
